BE A PART OF THE  
FIRST LIFT &  
ESCALATOR EXPO IN  
EXCITING SRILANKA

**Global Lift & Escalator Expo, Colombo-Srilanka 2017**

Date: 23rd - 25th February 2017 | Srilanka Exhibition & Convention Centre, Colombo, Srilanka

# EXPLORE & EXPAND YOUR BUSINESS IN NEW, GROWING AND EMERGING MARKETS LIKE SRI LANKA

The “Global Lift & Escalator Expo 2017 in Colombo will be your best platform to test the market potential in rapidly growing Sri Lanka. Exhibit new products, Explore partnerships and joint ventures, all under one roof.

The Global Lifts and Escalators Expo (GLE Expo) is an elevator and escalator industry exhibition for Elevator, Escalator, components and accessories manufactures as well as buyers from across the globe. Designed and presented by Virgo Communications, the exhibition is an ideal opportunity to showcase and identify latest products and technologies in the industry, meet potential buyers, explore partnerships and joint ventures in this flourishing market.

With threats of security out of the way, the tiny, beautiful island nation of Sri Lanka is fast developing as a pristine, peaceful and progressive state. Tourism is on the rise, and so is the real estate and hospitality industry. Over the last five peaceful years, almost all the best known brands of real estate builders have touched down in Sri Lanka. This construction boom is driving the elevator market like never before. The number of low-rise, mid-rise and high-rise projects being constructed in Colombo and its suburbs is a boon for the lifts and escalators brands that want to break into the market.

Utilize this opportunity to explore and invest in the Sri Lanka Lifts market - exhibit in the GLE Colombo 2017, meet potential buyers, establish business partnerships and leverage this new market for your growth.

## ABOUT US

Virgo Communications is a twelve year old exhibition and publications company that mainly focuses on B2B areas of the vertical transportation industry. Over this years, Virgo has held ten successful Elevator Expos and today the IEE Expo stands fourth largest in the worked and the only elevator industry event in India and Bangladesh, of this scale.

In partnership with 'Elevator World' (U.S), we publish 'Elevator World India', which supports business organizations with news and trends of emerging technologies and also provides a single avenue for the best business opportunities in Asia.

Our mission is to create platforms that enhance business growth of these niche segments.

The other successful exhibitions organized by Virgo in India, have been in the following segments:

- ◆ Gear and Power Transmission Expo (IPTTEX)
- ◆ Grinding and Surface Finishing Process (GRINDEX)
- ◆ Adhesives and Sealants (IIASE)
